

TESTING OF PRIVATE WATER SUPPLIES

Riverina Water County Council is not a commercial laboratory, therefore does not have the approval to test rainwater tanks, private wells, bores etc and advise whether a supply is safe to drink.

Suggested chemistry testing laboratories are:

- ❖ NSW Government Health Pathology (Forensic & Analytical Science Service)
Weeroona Rd, Lidcombe NSW 2141
Phone: (02) 96460222.

- ❖ EAL (Environmental & Analytical Laboratories)
Charles Sturt University, Nathan Cobb Drive, Wagga Wagga NSW 2650
Phone (02) 69332849

Suggested microbiological testing laboratory:

- ❖ NSW Department of Health
Greater Murray Water Testing Laboratory
Wagga Base Hospital, Edward St, Wagga Wagga NSW 2650
Phone: (02)69386605
