

Policy 2.5 FLUORIDATION

Origin – 23 APR 1969 - Various reports and correspondence prior to Council Res. On 23/4/1969

Name change 22/11/13 from 2.1

- a) that the Council agree, in principle, to the fluoridation of water supplies under its control; and
- b) that the Chief Water Supply Engineer (Director of Engineering) be and is hereby authorised to prepare a detailed estimate of costs of establishing and operating fluoridation plants for all water supply systems under the Council's control.
