PART A – INTRODUCTION

1.0 – GENERAL PROVISIONS

1.1 Purpose of the Policy

The purpose of the Policy is to ensure there is accountability and transparency in the reimbursement of expenses incurred or to be incurred by Councillors.

The Policy also ensures that the facilities provided to assist Councillors to carry out their civic duties are reasonable.

1.2 Objectives and coverage of the Policy

To give guidance to the Chairman and Councillors as to what facilities and resources are available to them.

To provide direction for the payment of expenses incurred, or to be incurred, by Councillors and the provision of facilities to the Chairman and other Councillors in relation to discharging the functions of their office.

Implementation of our legislative responsibility, in adopting a policy concerning the payment of expenses and the provision of facilities and resources to the Chairman and Councillors in carrying out their civic duty (Sections 252 and 253 of the Local Government Act 1993).

1.3 Making and Adoption of the Policy

Council must implement section 253 of the *Local Government Act 1993* before adopting or amending a policy. Council must give public notice of its intention and allow at least 28 days for public submissions.

Council must consider any submissions received and make any appropriate changes to the policy. Council does not need to give public notice of a proposed amendment to the policy, if the amendment is not substantial.

The term “not substantial” should be taken to mean minor changes to wording of the policy or changes to monetary provisions or rates that are less than 5%. It also means minor changes to the standard of the provision of equipment and facilities. Substantial amendments to the policy that could include larger changes to monetary limits than the limit noted above, and/or major changes to the standard provision of equipment and facilities, will require public notice of the amendment. Any new category of expenses, facilities and equipment included in the policy will also require public notice.

1.4 Promotion and Availability of the Policy

Council should promote its policies on the payment of expenses and the provision of facilities to councillors to the community by placing them on their websites and making them readily accessible. Council should ensure that the policy is easy to locate and view by the public.

1.5 Review

Councils are required within 12 months of the term of a new council to review and submit their policy to the Chief Executive of the Office of Local Government within 28 days of adoption by council.

1.6 Reporting Requirements

- Section 428 of the *Local Government Act 1993* requires council to include in its annual report:
- the councils policy on the provision of facilities for, and the payment of expenses to, mayors and councillors,
- the total amount of money expended during the year on providing those facilities and paying those expenses,
- additional information as required by the *Local Government (General) Regulation 2005*.

1.7 Legislative Provisions

1.7.1 Provisions under the *Local Government Act 1993*

Changes to sections 252(5) and 253 of the *Local Government Act 1993*, made by the *Local Government Amendment Act 2005*, require councils to make and submit their Expenses and Provision of Facilities Policy annually to the Department of Local Government.

Section 252 of the *Local Government Act 1993* requires councils to adopt or amend a policy annually for the payment of expenses and the provision of facilities to mayors, deputy mayors and other councillors. Mayors and councillors can only be reimbursed for expenses and provided with facilities in accordance with this policy.

Section 252 also makes provision for a council to reduce the amount payable to mayors and councillors (under sections 248-251 of the *Local Government Act 1993*) by the amount representing any private benefit of a facility provided by the council to them. It also requires that the policy be made under the provisions of this Act, the Local Government (General) Regulation and any relevant guidelines issued under section 23A of the Act.

Section 253 specifies actions that council must undertake before a policy concerning expenses and facilities can be adopted or amended. As earlier stated these actions include a requirement to give public notice with a minimum period of 28 days for the making of submissions, procedure for consideration of any submissions received and circumstances where public notice is not required . This section also details the reporting requirements to the Chief Executive.

Section 254 requires that part of a council or committee meeting which considers the adopting or amending of such a policy must not be closed to the public.

The Government Information Public Access Act 2009 and Regulation 2009 provides that the public is able to inspect during office hours at the council, and at no charge, the current version and the immediately preceding version of the council's expenses and facilities policy. The public are also entitled to a copy of the policy, either free of charge, or, on payment of a reasonable copying charge.

Section 23A makes provision for the Director-General of the Division of Local Government to prepare, adopt or vary guidelines that relate to the exercising by a council of any of its functions. It also requires that a council must take the relevant guidelines into consideration before exercising any of its functions.

Section 428(4)(b) requires that councils must report on any other information required by the regulations.

1.7.2 Provisions under the *Local Government (General) Regulation 2005*

Clause 217 Provides details of information to be included in Councils Annual Report in addition to the above provisions, such as details of overseas trips by councillors and staff representing Council and details of expenses paid to Councillors.

Clause 403 (Payment of expenses and provision of facilities) states:

This publication is available on the ICAC website at www.icac.nsw.gov.au.

1.9 Approval Arrangements

Approval of councillors to attend conferences and other council business that involves travel and/or accommodation should be, where possible, approved by a full meeting of the council. If this is not possible, the approval should be given jointly by the Chairperson and General Manager.

If the Chairperson requires approval to travel outside of council meetings, it should be given jointly by the Deputy Chairperson, or another councillor, if the Deputy Chairperson is unavailable and the General Manager.

PART B – PAYMENT OF EXPENSES

2.0 GENERAL PROVISIONS

2.1 Payment of Expenses Generally

This policy sets levels of expenses and facilities to realistically account for costs incurred by councillors independent of the level of their annual fees.

2.1.1 Allowances and Expenses

The Local Government Remuneration Tribunal determines the minimum and maximum limit of fees payable to Chairperson and councillors according to the category of council. The council will determine the actual level of fees between these limits on an annual basis following the determination of the Local Government Remuneration Tribunal.

The amount of the annual fee for the Chairperson and Councillors will be paid monthly in arrears.

During the month of June in each year, the Council will review the fees and expenses paid to or facilities provided for the Chairperson and Councillors and determine the amounts to be paid for the ensuing year.

The amount of expenses for conveyance to official Council functions by car will be determined by the rates provided in the Council's Award and will be paid monthly in arrears to Councillors that do not reside in the Local Government Area where the function is being held.

Provided that where a Councillor ceases to be the Chairperson, the fee to be paid will be calculated on a daily basis for the proportion of the month that the Councillor remained the Chairperson.

Similarly, where a Councillor is elected Chairperson, the fee to be paid will be calculated on a daily basis for the proportion of the month in which the Councillor became Chairperson.

2.1.2 Reimbursement and Reconciliation of Expenses

Actual expenses incurred by councillors in carrying out civic duty are only reimbursed upon the production of appropriate receipts, tax invoices and other documentation, together with the completion of the required claim forms. Expenses and costs incurred must be in accordance with the requirements of this policy.

2.1.3 Payment in Advance

Councillors may request payment in advance in anticipation of expenses to be incurred in attending conferences, seminars and training away from home. Councillors may also request an advance payment for the cost of any other service or facility covered by the policy. However, councillors must fully reconcile all expenses against the cost of the advance when they return within two months. No allowance type expense payment will be payable in any circumstances.

2.2 Establishment of Monetary Limits and Standards

2.2.1 Monetary Limits as to Expenses

The monetary limit for expenses will be generally guided by the budgeted items in the Operational Plan under the following line items:

An accompanying person is a person who has a close personal relationship with the councillor and/or provides carer support to the councillor.

As a consequence, meeting the reasonable costs of spouses and partners or an accompanying person for attendance at official council functions that are of a formal and ceremonial nature, is considered appropriate where accompanying councillors within the Riverina Water County Council area. Such functions would be those that a councillor's spouse, partner or accompanying person could be reasonably expected to

attend. Examples could include, but not be limited to, Australia Day award ceremonies, civic receptions and charitable functions for charities formally supported by the council.

Limited expenses of spouses, partners or accompanying persons associated with attendance at the Local Government New South Wales annual conference may be met by council. These expenses will be limited to the cost of registration and the official conference dinner. Travel expenses, any additional accommodation expenses, and the cost of partner/accompanying person tours etc. are the personal responsibility of individual councillors. Consideration will be given to the payment of expenses for the spouse, partner or accompanying person of the Chairperson, or councillor when they are representing the Chairperson, when they are called on to attend an official function of council or carry out an official ceremonial duty while accompanying the Chairperson outside the council area, but within the general region of the Council. Examples include charitable functions to which the Chairperson has been invited and award ceremonies and other functions to which the Chairperson is invited to represent the council.

The above circumstances shall be distinguished from spouses, partners or accompanying persons who accompany a councillor at any event or function outside the council area, including interstate or overseas, where the costs and expenses of the spouse or partner or accompanying person should not be paid by council (with the exception of the attendance at the Local Government New South Wales annual conference, as noted above).

The above examples shall also be distinguished from circumstances where spouses, partners or accompanying persons accompany councillors at seminars and conferences and the like. In these situations all costs, including any additional accommodation costs, must be met by the councillor or the Spouse/partner/accompanying person.

The payment of expenses for spouses, partners or accompanying persons for attending appropriate functions as permitted above shall be confined specifically to the ticket, meal and/or the direct cost of attending the function. Peripheral expenses incurred by spouses, partners or accompanying persons such as grooming, special clothing and transport are not considered reimbursable expenses.

2.4 Incidental Expenses

Reasonable out of pocket or incidental expenses associated with attending conferences, seminars or training courses that councillors incur may be reimbursed upon the presentation of official receipts and the completion of the necessary claim forms.

Incidental expenses could reasonably include telephone or facsimile calls, refreshments, internet charges, laundry and dry cleaning, newspapers, taxi fares and parking fees. In addition, the cost of meals not included in the registration fees for conferences or similar functions may be reimbursed after reconciliation.

All advanced payments are required to be reconciled.
