Our RAP Artist and Artwork

I have a deep connection with the land of Wiradyuri country and I am passionate about this area. My art reflects my ties to the area and communities within from the regional cities of Griffith to Wagga to the vast landscape that spans from the mountains in the east, to the wide plains of the west of this beautiful Wiradyuri Country.

I was born in Narrandera NSW, on Wiradyuri country, into a family of 10 children. We lived with my mum and dad at the bottom of the Sandhills in Narrandera, at a place known affectionately as "Down The Lane".

I have dabbled in art for over 30 years, in an informal way completing works with my brother. I started creating artworks as an outlet to help me in dealing with my son's mental illness, which led to my formal art career commencing back in early 2016. My artistic expression of my lived experiences and the land which I call home are what I portray in my works, using traditional dot painting and concepts to create works that also have a contemporary feel.

I created the piece *Living Water* for Riverina Water, and it tells the story of fresh clean water being delivered to Wagga and the surrounding towns and villages.

The platypus represents the clean water in Marshalls Creek, which can be attributed to the filtering provided by Riverina Water, making the creek a sustainable and friendly environment for the platypus to thrive.

The goanna represents Wiradyuri country on which the clean water is distributed. I have also included other Wiradyuri symbols to represent Aboriginal culture. All over this Wiradyuri territory surrounding Wagga Wagga, indicated in blue and green, representing the meeting places or campsites, which are the places where the water is flowing to the communities.

Acknowledgment of Country

Riverina Water County Council acknowledges the Traditional and continuing Custodians of the land we supply water on, the Wiradyuri people. We pay our respects to Elders past, present and future, as well giving our respect to all First Nations Peoples living in this community.

We recognise the deep cultural connection Wiradyuri and First Nations communities have with the lands and waters of this region.

In this plan we have used **Wiradyuri** spelled with the 'dy' to be in keeping with the spelling and sounds used by Uncle Stan Grant Snr in his Wiradjuri Dictionary. We also acknowledge that as an oral language translated into English both spellings are correct and acceptable.

A Message from Reconciliation Australia

Reconciliation Australia welcomes Riverina Water Country Council to the Reconciliation Action Plan (RAP) program with the formal endorsement of its inaugural Reflect RAP.

Riverina Water Country Council joins a network of more than 3,000 corporate, government, and not-for-profit organisations that have made a formal commitment to reconciliation through the RAP program.

Since 2006, RAPs have provided a framework for organisations to leverage their structures and diverse spheres of influence to support the national reconciliation movement. The program's potential for impact is greater than ever, with close to 3 million people now working or studying in an organisation with a RAP.

The four RAP types — Reflect, Innovate, Stretch and Elevate — allow RAP partners to continuously develop and strengthen reconciliation commitments in new ways. This Reflect RAP will lay the foundations, priming the workplace for future RAPs and reconciliation initiatives.

The RAP program's strength is its framework of relationships, respect, and opportunities, allowing an organisation to strategically set its reconciliation commitments in line with its own business objectives, for the most effective outcomes.

Chief Executive Officer
Reconciliation Australia

These outcomes contribute towards the five dimensions of reconciliation: race relations; equality and equity; institutional integrity; unity; and historical acceptance.

It is critical to not only uphold all five dimensions of reconciliation, but also increase awareness of Aboriginal and Torres Strait Islander cultures, histories, knowledge, and leadership across all sectors of Australian society.

This Reflect RAP enables CEO Statement Riverina Water Country Council to deepen its understanding of its sphere of influence and the unique contribution it can make to lead progress across the five dimensions. Getting these first steps right will ensure the sustainability of future RAPs and reconciliation initiatives, and provide meaningful impact toward Australia's reconciliation journey.

Congratulations Riverina Water Country Council, welcome to the RAP program, and I look forward to following your reconciliation journey in the years to come.

A Message from our Chairperson and Chief Executive Officer

On behalf of Riverina Water, we are pleased to present our inaugural Reconciliation Action Plan (RAP). We pay our respects to the Wiradyuri people, Traditional Custodians of the lands we operate in and express our true appreciation for care provided for these lands and waters over countless generations. It is now important for us to acknowledge the truths of the past, to listen to local Aboriginal and Torres Strait Islander communities, and to walk the path towards a better future for everyone.

We are on an ongoing journey toward embedding cultural reflection and action within our organisation. We are proud that Riverina Water is ready to take the next step forward by developing and delivering our first Reconciliation Action Plan; building on initiatives and changes already made within our organisation.

Our Reconciliation Action Plan working group is dedicated to creating a deeper understanding within our organisation and building stronger relationships with local Aboriginal and Torres Strait Islander people. We believe that Riverina Water can and will reflect the diversity of the community we operate in. This may not always be an easy journey, but we are committed to making real changes that have a tangible impact in our community.

Our business

Riverina Water was formed in 1997 as a County Council, specifically for the purpose of water supply and operates under the provisions of the Local Government Act 1993. Our history extends back to 1938 when the Southern Riverina County Council was incorporated to make reticulated water available to towns and villages in the shires of Lockhart, Urana, Holbrook, Kyamba, Mitchell and part of Culcairn Shire.

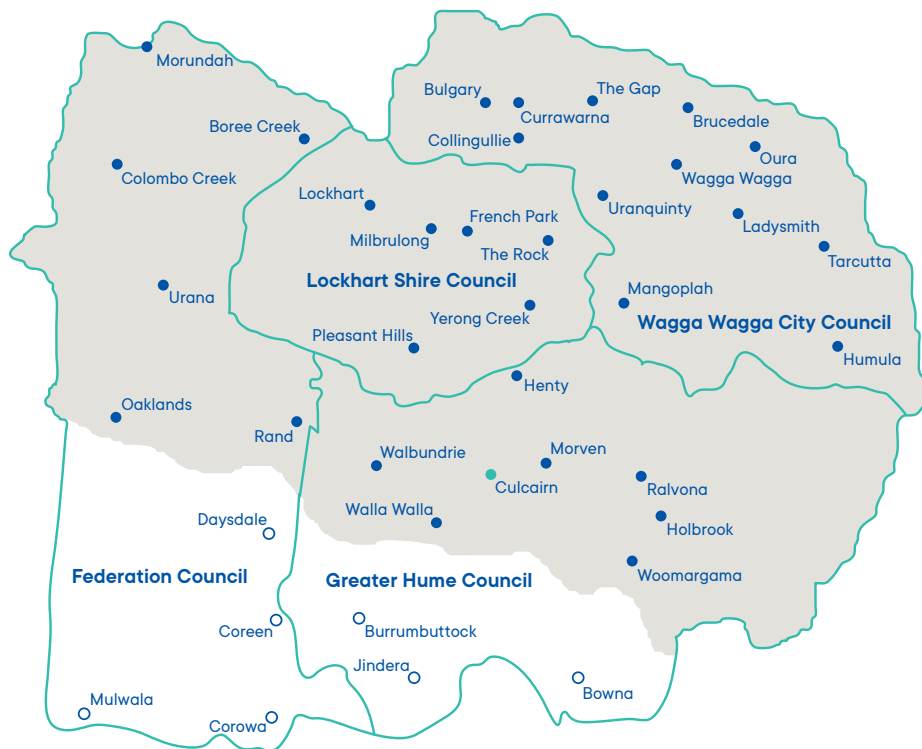

We now supply water to an area of approximately 15,400 square kilometres and contains a population of more than 77,000 people, in the local government areas of Wagga Wagga, Lockhart, Federation and Greater Hume.

Our supply area is entirely within Wiradyuri Country, with our headquarters based at 91 Hammond Avenue, Wagga Wagga, along with our rural depot located at The Rock.

In 2022-2023, Riverina Water had more than 33,000 connections. Water is sourced from groundwater bores and the Murrumbidgee River, Marambidya Bila.

Water is the backbone of the Southern Riverina region. It's an essential resource which underpins everything we do from drinking, cooking and cleaning through to recreation, heating, cooling and the running of business, industry and agriculture. Water helps our communities grow and thrive.

Riverina Water Supply Area

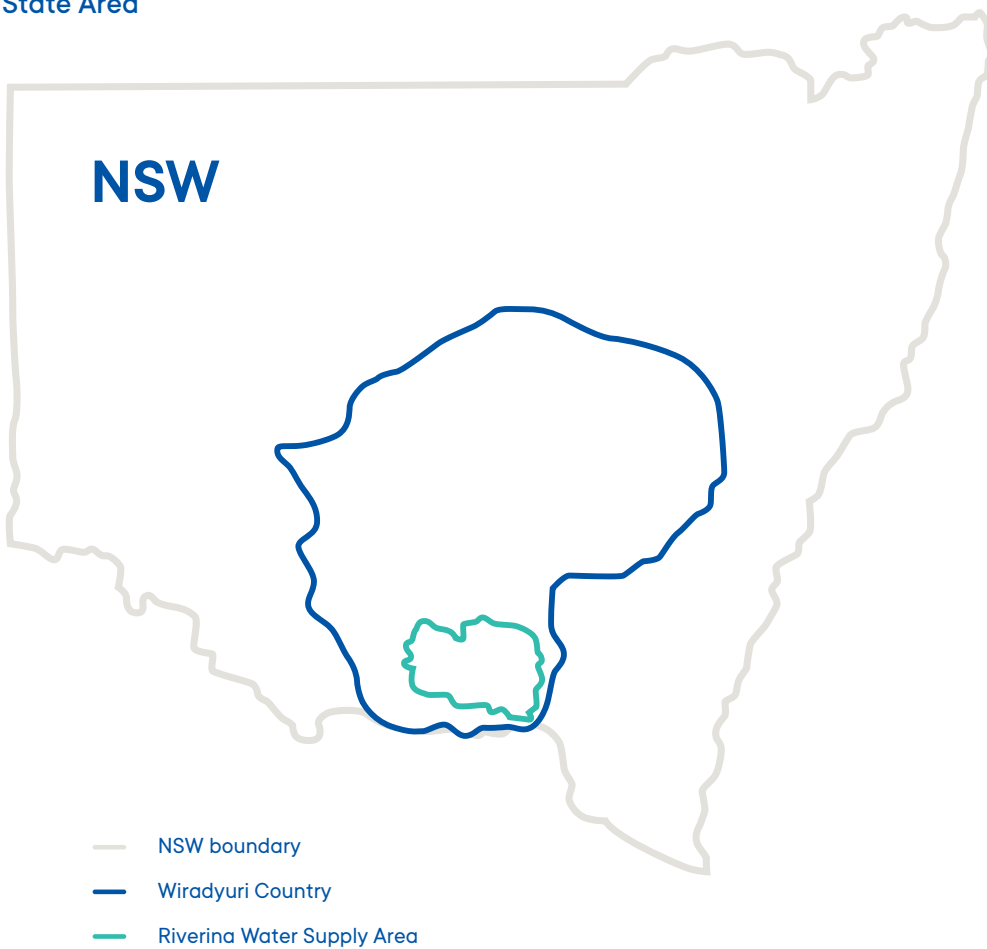

- Water supplied to these areas
- Local government boundary
- Towns in supplied area
- Water is not supplied to Culcairn
- Towns outside supplied area

According to the latest census data (2021) 5.5% of the population across the four LGAs serviced by Riverina Water (Wagga Wagga, Federation, Lockhart and Greater Hume) identify as Aboriginal and/or Torres Strait Islander. In the most populous LGA of Wagga Wagga this rises to 6.6%, over double the national figure of 3.2%.

Riverina Water currently has 118 employees but does not formally collect cultural background data when onboarding new employees. Collecting this data will be discussed as part of our RAP process, and we will also discuss options to understand this information in a culturally safe way.

Our Vision, Mission and Values

Our Vision

is to provide passionate and professional leadership in the water industry.

Our Mission

is to provide our community with safe, reliable water at the lowest sustainable cost.

Our Values

are Respect, Connection, Safety and Cooperation.

Our strategic priorities

Our people

We have a high-performance culture, achieved through accountability, diversity, respect and investment in our people.

Our business

We strive to be an industry leader by continuously improving our operations and the management of our assets.

Our community

We enable our community and customers to thrive by providing exceptional service and demonstrating social responsibility.

Our whole-of-organisation focus areas are:

- › **Customer-centricity**
We put customers at the heart of everything we do.
- › **Innovation**
We are a successful organisation that pursues innovation and continuous improvement at all times.
- › **Sustainability**
We are environmentally responsible, financially secure and aspire to have a positive impact on our natural world.

Our Reconciliation Action Plan

Riverina Water is undertaking the Reflect Reconciliation Action Plan (RAP) process to better connect with Aboriginal and Torres Strait Islander peoples, to create a greater level of cultural awareness and understanding within our organisation, and to identify the real changes we can implement to contribute to greater opportunities and outcomes with First Nations peoples, particularly the Wiradyuri people whose lands we operate on.

As a water provider we recognise the importance of our role in looking after a precious natural resource and believe that we can play a supportive part in caring for country. By implementing this plan, we hope to gain a better understanding of the cultural importance of water in our region, to build connections and to further facilitate water education in this area.

Our journey to date

› **In February 2022** local Wiradyuri man Mark Saddler took a group of senior staff at Riverina Water on a cultural tour around its sites and the region, providing them with insights into the history and cultural importance of the area.

› **From February 2023** Aboriginal and Torres Strait Islander cultural awareness online training was rolled out to all current Riverina Water staff. This training was then also made a mandatory part of all new staff members' induction process.

› **In 2023** Riverina Water commissioned a large-scale artwork by acclaimed Wiradyuri artist Owen Lyons (pictured running an art workshop at Forest Hill PS in 2022). The artwork *Living Water* shows the Murrumbidgee River and Wagga Wagga along with Marshalls Creek, which runs adjacent to Riverina Water's main offices and water treatment plant. The smaller meeting places or campsites represent the many communities and towns across Riverina Water's supply area, while symbols and animals such as the goanna and platypus represent Wiradyuri Country. Owen Lyons' work was commissioned for display and for branding, and now features as the key artwork in our Reconciliation Action Plan (RAP). The artwork proudly hangs in the foyer of Riverina Water's public meeting room, where Board members from across the supply area gather to make decisions.

› **In December 2023** our CEO Andrew Crakanthorp and members of the Customer and Communications team met with two local Aboriginal groups in Wagga – Mawang Gaway, and the Wagga Local Lands Council. These meetings were a way to start an initial dialogue with community, to inform them right from the start that we were beginning our RAP process, and to take on board their thoughts and ideas. We have reached out to other local Aboriginal groups and meetings with them will also be part of our Reflect RAP process.

› **In January 2024** Riverina Water made a donation towards a public concert of Aboriginal performance organised by Mawang Gaway. The event details were circulated to staff and RAP working group members as an opportunity to engage with local Aboriginal artists.

› **In February 2024** Riverina Water finalised a working group of staff members committed to the process of developing this RAP, and they met for an initial introductory session. The RAP working group comprises people from across different areas of the organisation; one of the members is a Riverina Water employee who identifies as Aboriginal. The Riverina Water CEO Andrew Crakanthorp is the RAP Champion and is keen to take on responsibility for leading the implementation of the RAP.

› **In July 2024** Riverina Water gave financial support to the 3X3 Deadly Basketball Gala in Wagga Wagga, a part of NAIDOC week activities. Members of the working group were in attendance for the event on 15 July.
